Rio 'monkey chant' fan is out on bail

A FOOTBALL fan arrested on suspicion of making a racist gesture towards former Manchester United and England defender Rio Ferdinand has been released on bail.

West Midlands Police confirmed the 31-year-old suspect had been bailed pending further investigation.

Ferdinand (above) was working as a pundit at Molineux, where Wolves were beaten 2-1 by United in the Premier League on Sunday.

During the game, Ferdinand posted a message on Twitter which said: "The last couple weeks, it's been unreal to see fans back. "However to the Wolves fan who has just been thrown out for doing a monkey chant at me. You need to be dismissed from football and educated. "Come meet me and I will help you understand what it feels like to be racially abused."

Home sellers cash in on bidding wars

A RECORD one in three homes sold across the UK in April went for more than the asking price, new figures show.

The 32 per cent figure was the highest since comparable records started in September 2013, according to Propertymark, a body representing estate and letting agents.

The previous record was set in May 2014, when 19% of sales went for over the original asking price.

High numbers of house hunters and low numbers of properties for sale are helping to fuel bidding wars.

TORIES HAVE 'ANTI-MUSLIM PROBLEM'

ANTI-Muslim sentiment "remains a problem" within the Conservative Party, an independent report has found.

Professor Swaran Singh (left), a former equality and human rights commissioner, analysed 1,418 complaints relating to 727 separate incidents as recorded in the Tories' complaints database between 2015 and 2020.

In a 44,000-word report on his

findings, Prof Singh said: "Judging by the extent of complaints and findings of misconduct by the party itself that relate to anti-Muslim words and conduct, anti-Muslim sentiment remains a problem within the party."

"This is damaging to the party and alienates a significant section of society."

He said the leadership of the Conservative Party "ought to set a

good example for appropriate behaviours and language".

But it found that the party was not institutionally anti-Muslim.

Prof Singh's review was published almost two years after all five candidates in the 2019 Conservative leadership contest, including eventual winner Boris Johnson, committed to an independent inquiry into allegations of Islamophobia within the party.

Beeb are still paying Diana shame journo

MARTIN Bashir is still being paid by the BBC during his three-month notice period, Tim Davie has revealed as he defended his choice to accept the disgraced reporter's resignation rather than sack him.

In his first interview since the release of the Dyson report, the director-general of the BBC said until he read its findings he was not certain that Bashir (above) had lied about documents used to secure his 1995 interview with Diana, Princess of Wales.

Davie told the programme on BBC Radio 4: "Martin Bashir offered his resignation prior to us seeing the Dyson report. I think there were three reasons why I accepted the resignation.

"The first was there were very significant medical care issues.

"The second is it allowed a clean break with no pay-off, which I thought was in the licence fee-payers' interest.

"The third was there was no restraint in us getting to the truth. This was not an honourable discharge."

Borrowing falls as economy recovers

THE level of government borrowing fell in April as the easing of lockdown restrictions started to regenerate the UK economy, according to new data.

But levels of debt remain high, with the Office for National Statistics revealing that borrowing hit £31.7 billion in April – the second highest April on record.

Public sector net borrowing was £15.6bn less than the same month a year ago, with central government receipts at £58bn, up £3.8bn on April 2020.

Central government bodies spent £95.9bn, down £12.9bn on a year earlier.

The amount of government debt now sits at £2.17 trillion at the end of April 2021.

Boris accused of introducing stealth lockdown for variant hit areas

BORIS Johnson is planning a lockdown by stealth in a bid to keep the Indian variant of COVID at bay, insiders claim.

By COLIN HURST
news@sundaysport.co.uk

the end of lockdown officially, Number 10 insiders say the PM will try to keep all sides happy by using psychology to keep people frightened, so many people effectively lock themselves down.

They claim the bizarre delivery of the advice that people in areas hit by the variant shouldn't travel or gather indoors is proof of these tactics in action.

A Downing Street insider said: "Only making it advisory and not announcing it to the public makes people even more frightened.

"It creates chaos and that makes people wary and that keeps them inside."

"To be fair, Boris is caught between a rock and hard place.

If he walks back on lockdown freedom, he risks losing all the political capital he has built up with the vaccine rollout and the economic gain.

"At the same time, if there is another huge wave, he will be blamed for that too."

"So he is using nudge tactics and psychology to get the best of both worlds."

"Telling people they are free, but at the same time keeping people too worried about the variants to fully embrace that freedom, effectively creates a lockdown by stealth."

"He hopes that will keep the variant at bay long enough for vaccines to get to everybody."

"It's a risky tactic, but it could pay off."

LAST TRAIN HOME MAN LEFT GIRL TO DIE

A MAN has admitted killing a 15-year-old girl by plying her with alcohol and leaving her on a hill to die, while he went to get the last train home.

Ewan Fulton, 20, also engaged in sexual activity with Mhari O'Neill and bought her cigarettes on the December night in 2018.

Alex Prentice QC, prosecuting, said "love bites" were found on Mhari's body.

Fulton (left), who was 18 at the time, admitted culpable homicide at the High Court in Edinburgh.

The court heard Mhari and Fulton met up at Calton Hill, with Fulton purchasing vodka and cigarettes for the pair.

Fulton left Mhari partially undressed and unable to seek help, as he wanted to get to nearby Waverley station before the last train to his home in Livingston departed.

The charges said he acted with "utter disregard" for her life.

The court heard Mhari was abandoned in a remote location.

Fulton admitted culpably and recklessly putting her at risk of death by giving her the alcohol.

A pathologist said Mhari's death was likely due to hypothermia, and intoxication played a role.

Fulton was remanded into custody.

C'mon United!

MANCHESTER United fan Stacey Massey is confident her lads will do the business in Gdansk tonight.

The Red Devils are facing Spanish side Villarreal in the Europa League final and are hoping to crown a great comeback season in Poland.

She said: "Villarreal are a very good side but, Arsenal aside, they have had a fairly easy run to the final."

"I don't think they will be able to cope with our team and the strength of Cavan."

"I hope Marcus Rashford gets some minutes too because he is my hero."

"It would be a brilliant way to finish the year for him by scoring the winner after all the good things he has done campaigning against child poverty."

"He is exactly what a footballer should be!"

I'D GIVE IT A RUDDY GOOD GOING OVER!

Joy as Meg puts lead in OAP's pencil

By GRACE HOOPER
news@sundaysport.co.uk

SHE delights 1.6 MILLION Instagram followers with her saucy posts, and her OnlyFans page is even hotter for paying punters.

Now Megan Barton Hanson is doing her bit for Help the Aged!

Because at the sight of her new Insta offerings, republished on the *Daily Mail* website, a thrilled OAP said he would give her a "ruddy good going over".

The lusty old codger, calling himself *Go woke you go broke*, boasted: "It's pretty decent overall. I'd give it a ruddy good going over and I'm 75."

Sizzling

Another fan, *Bear*, said: "Plastic AF (as f**k) but I'd still love a go" while *Freezer-Hammer* commented: "Pure filth. In a good way."

Love Island star Megan, 27, put on a sizzling display in a white one-shoulder catsuit, which was given an eye-popping touch thanks to a cleavage-baring cutout.

The social media sensation used her home as the backdrop for her mirror selfies, posing in her kitchen and massive dressing room.

She is said to be raking in an eye-watering £800K a month through her page on *OnlyFans*, after returning to the site last year.

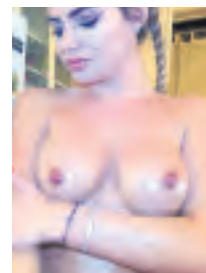

In a recent

column for *Vice*, in which she gave advice on how best to make *OnlyFans* an enjoyable and lucrative experience, the star revealed that she revels in shooting images for her army of paying subscribers.

She wrote: "I really enjoy getting dressed up, doing my make-up and hair, wearing cute clothes and lingerie, and I think that's the main thing. You've got to enjoy it."

"Every time I shoot I feel so sassy and so glamorous. I know a lot of people who have struggled with body confidence in and since doing *OnlyFans*, they now feel beautiful and happy."

A pal of the Essex native said: "Meg would be delighted that she is igniting the spark of sexuality in the over 70s!"

4-bed detached could be yours for £2

A KINDHEARTED NHS worker is giving away his four-bedroom detached house for JUST £2 in a raffle to raise money for patients and hospital staff.

Nick Wyrill, 34, got the unusual idea from another couple who raffled off their house instead of simply putting it on the market.

The Patient Service Manager

at Pinderfields Hospital in Wakefield, West Yorkshire, and his wife Louise have already sold 120,000 tickets but are hoping to sell 250,000 to raise £50,000 for the My Hospitals Charity, which supports the Mid Yorkshire Hospitals NHS Trust.

Nick said: "It's an amazing opportunity to be mortgage free for the price of a coffee."

STARS: The real Tommy (above) and Pammy (below) Seb and Lily in new series

FORMER *Baywatch* scorchers Pamela Anderson is fuming over the upcoming telly show *Pam & Tommy* based on her life with rock star Tommy Lee.

Downton Abbey actress Lily James, 32, has stepped into the role of Pammy opposite Sebastian Stan as her lover Tommy in the new eight-part series.

And insiders say they've already nailed their near-identical looks to their celebrity roles for the series.

But behind the scenes, the *Baywatch* icon has vowed never to watch the "God awful" show and has written it off.

It's reported Pammy, 53, has slammed the show as a "cheap knock off" of her life in the spotlight and her celeb pal Courtney Love has

described the project as "disgusting".

Pammy & Tommy, which is set to be screened on Hulu, will document Pamela's high-profile romance with Mötley Crüe drummer Tommy, now 58, whom she married just 96 hours after meeting.

Heartache

It will also explore the heartache around their stolen, explicit sex tape scandal which rocked the showbiz world and made headlines all around the world.

But Pam isn't the only celeb to become famous for sexy secret videos...

KATIE PRICE

MODEL Katie and pop singer Dane Bowers starred in a sex tape that resurfaced again two years ago.

Katie, 42, often makes jokes about her "toe-job" sex tape with *Another Level* star Dane, now 41, whom she dated from 1998 to 2000.

The X-rated tape shows the pair getting very intimate in the bedroom, and at one point he reportedly puts a toe into her private parts.

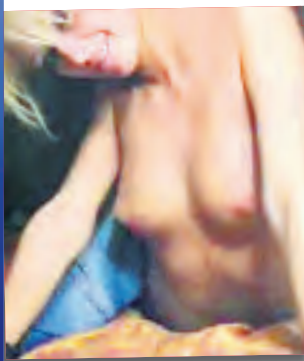

PARIS HILTON

IN 2004, a private sex tape which featured hotel chain heiress Paris and her then-boyfriend Rick Salomon was leaked onto the internet, and he later sold a longer version of it himself.

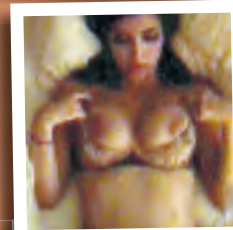

Speaking last month about the notorious recording, the self-made beauty products billionaire, now 40, said: "It's always there in the back of my mind. When it happened, people were so mean about it to me."

"The way that I was spoken about on nightly talk shows and the media, to see things with my family, was just heartbreaking."

"I would be in tears every single day... I didn't want to leave my house. I felt like my life was over."

KIM KARDASHIAN

KIM shot to fame in 2007 following the release of her notorious sex tape, just three years after her close friend Paris Hilton suffered in the same way.

Fourteen years ago, the now 40-year-old reality TV superstar was an aspiring celeb who owned a clothes shop in Calabasas, California, with her sisters.

But the release of the tape, which Kim made in 2002 with her then-lover Ray J, made her a global star almost overnight.

Later rumours suggested Kim's "momanager" Kris had orchestrated the whole thing as a publicity stunt for the family reality show which started just afterwards, a claim Kim has denied.

Mel C ready to spice up Gogglebox!

SPICE Girl Melanie C, BBC Radio 1 DJ Clara Amfo and sports presenter Clare Balding are set to join the cast of *Celebrity Gogglebox* for the third series.

Former *Strictly* contestant Clara will be joined by her brother Andy, while Clare will settle on the sofa next to her wife Alice Arnold, and Mel C (above) will feature with her brother Paul.

Former Premier League footballers Micah Richards and Jamie Carragher will also make their debuts on the Channel 4 show, along with Lorraine Kelly and her daughter Rosie Smith, Shaun Ryder and Bez from the *Happy Mondays*, Martin and Roman Kemp, Denise Van Outen and her partner Eddie, Iain Stirling and Laura Whitmore, and Eamonn Holmes and Ruth Langsford.

Blackmailer was sent explicit pics

A MARRIED woman who sent explicit videos of herself to cheer up a friend, was blackmailed out of over £8,000.

A court heard the woman, who cannot be named, regularly texted troubled Carlo Merola, 31, and "in a moment of madness" sent explicit videos of herself, but he then demanded cash.

Merola, of Milton Keynes, Bucks, admitted blackmail and was sentenced to two years and nine months in jail.

JUDGE SLAMS 82-YEAR-OLD WHO FLASHED IN POUNDLAND

'He must resist the urge to get his penis out...'

A PERVERY OAP who exposed himself in a Poundland store was told by a judge that he must "resist the urge to get his penis out".

Stanley Marshall, 82, already had committed 23 previous sex offences before he went to the Cheltenham branch of the budget store on December 30, 2019, and flashed his cock, Gloucester Crown Court was told.

But Marshall has assured Judge Keith Cutler that it will never happen again, saying: "I am sorry for all the trouble I've caused. I'll never do anything wrong again."

Prosecutor Matt Jackson said

By ROY DURRIDGE
news@sundaysport.co.uk

Marshall's offence happened at about 12.45 in an aisle at Poundland and was witnessed by a member of staff.

He told the court: "The employee spotted Marshall walking towards two young girls and she thought it odd because he was holding his jumper down below his waistline in an odd manner and that he was walking in a peculiar way as well."

"Marshall followed the two girls into a different aisle. The employee then witnessed Marshall lifting up his jumper and effectively exposing himself."

Problems

Marshall soon fled but was arrested about 20 minutes later boarding a bus.

The court was told that Marshall had 12 convictions for 23 offences of a sexual nature and they included a number for exposure.

He was already subject to the terms of a sexual harm prevention order and on the sex offenders' register for life.

Rebecca Da Silva, defending, said: "Marshall has now acknowledged that he needs help. He has a history of mental health problems."

Judge Cutler interjected: "His antecedents are appalling. He must resist the urge to get his penis out."

Marshall had pleaded guilty at an earlier hearing to indecent exposure.

Judge Cutler sentenced Marshall to a prison term of six months, but suspended it for two years.

WOMAN WHIPPED BOOBS OUT IN CCTV ROW

A WOMAN flashed her boobs at a neighbour's CCTV camera as a spat between them escalated.

Alyson McArthur, 53, had objected to them installing a motion-sensitive camera in their block of flats which she deemed to be "intrusive" and after boozing with a pal, she flashed her breasts at it.

She had fallen out with the man and his wife at the building they shared in Wemyss Bay, Inverclyde, and took matters into her own hands on September 18 last year at 1am.

Prosecutor Dana Barclay said: "The witness was in his home and

was awoken by a notification on his phone alerting him to movement detected by his doorbell.

"On viewing the footage he saw the accused open her dressing gown and expose her breasts."

Miss Barclay added: "The accused was intoxicated."

McArthur admitted a charge of exposing herself "in a shameless and indecent manner" when she appeared at Greenock Sheriff Court.

Defending, Gerry Keenan said: "She says the neighbours were intolerant and made issues of relatively insignificant matters."

"A camera was installed and

she was of the view that this was intrusive and did not engender good relations because to access her house she has to walk past her neighbours' door.

"She would often socialise with another neighbour. After work she would put her pyjamas and night gown on and go to this neighbour."

"Plainly she had too much to drink and in a momentary act of drunken folly she chose to display her annoyance."

"She is ashamed and she knows it was a nasty thing to do."

Sheriff Andrew McIntyre ordered McArthur to pay her neighbour £250 compo.

'Feuding tyre firm gunman shot student'

A LAW student was "in the wrong place at the wrong time" when she was shot dead amid a feud between two tyre firm owners, a court heard.

Aya Hachem (above), 19, was killed in the drive-by shooting in Blackburn, Lancashire, on May 17, 2020.

The incident was the culmination of a long-running dispute between Feroz Suleman, of RI Tyres, and Pachah Khan, of Quickshine Tyres, a jury was told.

The "bad blood" between the men escalated and a plan was hatched to kill Mr Khan or someone else at Quickshine Tyres, the court heard.

Eight people are on trial at Preston Crown Court accused of her murder.

Suleman, 40, and seven others have pleaded not guilty to murder.

All eight have also pleaded not guilty to the attempted murder of Mr Khan.

The trial is estimated to last up to 10 weeks.

A STRIP club is being used as a lure to persuade people to get COVID-19 vaccinations.

Larry Flynt's Hustler Club in Las Vegas is also a walk-in vaccination clinic as US government officials and health workers try to address the slowing demand for vaccines.

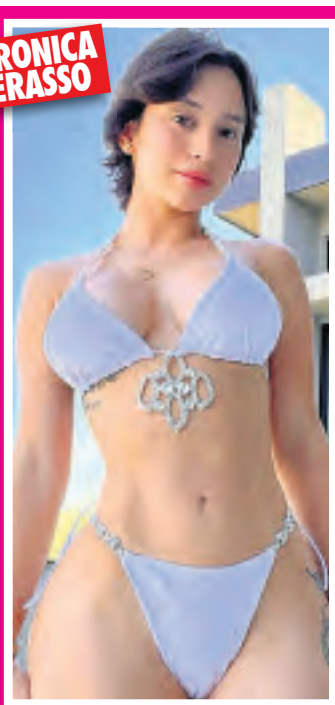

"This is just another way to access our population," said JoAnn Rupiper, chief nurse of the Southern Nevada Health District.

"It might attract some people who like the novelty of it, I suppose." Several workers at the club, including topless dancer JoJo Hamner, got their shots at the clinic.

Some people who showed up to get shots admitted being vaccine hesitant but decided to go for it if it meant visiting a strip club.

THE Seventies was a much-maligned decade.

Yes, it was the era when Britain came to the sad realisation the Empire had gone, people wore fancy dress to work and the economy reeled under the pressure of Soviet-funded trade union wreckers.

But there were high points... Because the Seventies was the golden age of the saucy British sex romp.

And one of the most famous was *Confessions of a Window Cleaner*, starring the legendary Robin Asquith.

Now it seems the trend has gone full circle, as ladies are now giving the man with the chamois a treat by posing for selfies in their windows.

School aide on student rape charge

A TEACHER'S aide has been charged with rape after allegedly having sex with a pupil in her home over a period of two weeks.

Mandy Davis, 33, is being held on charges of gross sexual imposition and unlawful sexual conduct with a minor, as well as rape.

Davis (above) worked at Teays Valley West Middle School in Ohio and it's alleged she had a sexual relationship with the pupil between April 26 and May 11.

The Pickaway County sheriff's office investigated after being alerted by a concerned school employee about an "odd relationship" between Davis and a student.

It is illegal for adults in Ohio to have sex with anyone under the age of 16 and educators to have sex with students of any age.

Davis will appear in court on May 27.

Teays Valley Local Schools confirmed Davis worked part-time "as needed" but is no longer employed with the district.

Beauty to reveal X-rated story of move into porn

MAITLAND PENS HER BONK-BUSTER!

By COLIN HURST news@sundaysport.co.uk

COCK-HUNGRY Maitland Ward is to tell all about her journey from soap star to porn queen.

The red-hot redhead is penning a page-turning memoir about why went from a kids' Disney series to taking-it-up-the-arse, award-winning, skin-flicks.

The actress's debut book, *My Escape From Hollywood: Why I Left to Become a Porn Star*, will be published by Simon & Schuster's Atria books division next year.

Steamy

Maitland, 44, said the "steamy, no-holds-barred memoir" will have "tell-all stories of everything" during her days on *Boy Meets World* and classic soap opera *The Bold and the Beautiful*, as well as her shift from mainstream to high-end XXX site Deeper.com, which scored her Adult Video News awards.

She said: "I originally wrote some sample chapters, really funny stuff from the porn industry, like what I experienced."

"It feels like a *Sex and the City* kind of thing. I think it's going to be very conversational."

The lusty babe also said she's been writing it all herself, with "no ghostwriters."

But Maitland said support from fans, in particular women, has been a big motivator to tell her story.

She revealed: "Young women are so excited about just me being sexually unapologetic."

"That's what I was

LOVES DOING IT:
Maitland Ward

most taken aback by in this whole journey, of how supportive millennial women have been to me."

Her memoir isn't the only big thing coming, either, as in April she's making a return to mainstream television, starring in a comedy series called *The Big Time*, centering on a "world-famous" adult superstar.

But she has no plans to stop making porn, saying: "I want to stay both industries."

"I love and embrace both. Me being bold and free in my sexuality and so out there with it has given me that power."

"When I was like this innocent flower, I was letting everyone else dictate what I should do or what I should be."

KYLIE HITS BACK AT FAKERS

SEE YOU IN COURT: Curvy Kylie is furious

STUNNING reality TV star Kylie Jenner is furious after a dodgy company started advertising a sex toy supposedly modelled on her fanny.

The fake imitation of a Fleshlight masturbation device was advertised on porn sites as a realistic pleasure device "that feels just like the real thing".

Many porn stars have legitimately allowed respectable manufacturers to use their nether regions to make sex toys out of.

Steaming

But Kylie had no input and no knowledge of the fake fanny that was advertised as being just like her own.

And the minute she heard about the product, which is not manufactured by Fleshlight but is a Chinese fake, she instructed

By **GRACE HOOPER**
news@sundaysport.co.uk

her lawyers to act.

The toy is no longer available and its makers are now facing a lengthy court battle with billionaire Kylie.

A source said: "Kylie was steaming mad. She licenses a lot of products but would never dream of doing something like this."

"She is furious. This implies that she has let a sex toy manufacturer get a good look at her privates."

"There is no way she would do that and the whole thing cheapens her image."

"That and the idea of millions of men masturbating over her in this way is vile."

The makers have so far refused to comment.

Naked woman refused to stop fingering in car

A **NAKED** woman caught masturbating with her legs in the air refused to stop fingering herself despite being asked to do so by cops.

They had responded to calls about a naked woman "jumping in and out of vehicles" at a car dealership in Mankato, Minnesota.

Officers spotted a Chevrolet Silverado with its rear driver's side door open and "feet sticking out".

Jennifer Weber, 35, was lying across the back seat on her back, feet in the air, "digitally penetrating herself".

Asked what brought her to Mankato, Weber replied "to please the boys".

Weber continued to masturbate as she spoke with officers.

Police recovered methamphetamine and drug paraphernalia.

Weber (above), from Arlington, Minnesota, faces charges of indecent exposure, narcotics possession and entering a vehicle without the owner's permission.

School nurse took secret photos of girls undressing

A **PERVY** school nurse secretly photographed more than 40 students aged between 12 and 17 undressing in a bathroom.

Leon Hensley, 40, formerly of Clarksville, Tennessee, was arrested near his current home in Lake Wales, Florida.

His victims are all believed to be female students at North East High School in Clarksville, where Hensley worked between August 2017 and November 2019.

The former nurse was alleged to have been found in possession of over 700 illicit images of juvenile girls that appeared to have been captured on a hidden camera in a bathroom.

The images showed the victims either partially nude or fully nude. If convicted, Hensley faces a minimum 15 years and a maximum of up to life in prison.

CANNIBAL PEELED GIRL'S FACE OFF

A **BUTCHER** suspected of being a serial killer cannibal said he peeled the skin off the face of one victim because he thought she was "very pretty".

Andrés Mendoza made the claim during a four-hour court hearing in Mexico.

Mendoza (right) has been officially charged with killing the wife of a serving police officer.

The 72-year-old, who is said to have confessed to five murders, was taken into custody after Reyna González, 34, suddenly

disappeared in Atizapán de Zaragoza.

During a search of Mendoza's home, the missing woman's cop husband is said to have found her body on a table, along with the remains of nine other women.

Mendoza has allegedly admitted to carrying out sickening acts of cannibalism by eating parts of the corpses.

During his first court hearing, Mendoza said "all I want to do is tell the truth", as he spoke of several women he claimed he had met and then killed.

"I removed the skin from

her face because she was very pretty," he said, before adding: "What has been done is done. The husband is there, he saw everything."

Under questioning, the suspect reportedly admitted to slaughtering multiple women over the last 20 years.

Terrible

Police believe he may have killed up to 30 people.

He even had a list of names of his victims jotted down in a notebook, say reports.

Prosecutor Dilcy García said: "We found a basement

made by the suspect which had a terrible scene with human remains."

"At least right now, we have the belongings of what could be five people."

"But there is also a notebook, a list, where there are names of different people, different women."

Sergio Baltazar, a lawyer hired by Reyna González's family, said it could take weeks before her remains are turned over to her husband, as the coroner has to legally confirm her identity through DNA samples.

BECKHAM****SHORTS & GIRLIES**

NOW summer is trying its best to break out of the chilliest spring for 100 years, it may be we'll soon start seeing ladies in shorts.

That's all the more welcome as ultra-short hotpants, many virtually indistinguishable from, well...pants, are bang on trend for spring/summer 2021.

There's nothing quite like seeing a leggy lady flashing her long pins in the sunshine.

By **COLIN HURST**

It's even better if a little bit of bum cheek is being shown too.

And it's better still, if the lady in shorts has forgotten to wear a top, so we can all get a good gawp at her busters.

So here are five pages of girlies in shorts... now that'll warm you up if nothing else does!

ALBERT FISH: THE BROOKLYN VAMPIRE

'It took me nine days to eat her entire body...'

IN November 1934, after 10-year-old Grace Budd had been missing for six years, a letter arrived at her mum's home in Washington, D.C. "Dear Mrs Budd," it read. "On Sunday, June 3, 1928, I called on you at 406 West 15th Street.

"I brought you pot cheese and strawberries. We had lunch. Grace sat in my lap and kissed me. I made up my mind to eat her."

Although the written confession was unsigned and nameless, it was the beginning of the end for cannibal serial killer Albert Fish.

His macabre life would later be turned into the movie *The Gray Man* in 2007, starring Belgian actor Patrick Bauchau as the killer...

BORN in 1870, in Washington DC, Hamilton Howard "Albert" Fish would end up with several names ...the Brooklyn Vampire, the Werewolf of Wysteria, and the Gray Man.

His widowed mother sent Albert and his three siblings to a state orphanage and it was there that he conceived a passion for pain.

"I was there until I was nearly nine, and that's where I got started wrong," Fish later recalled.

"We were unmercifully whipped. I saw

By JEREMY SPENCER
news@sundaysport.co.uk

boys doing many things they should not have done."

Fish came to enjoy and associate the pain with pleasure, which would later seep into sexual gratification.

Waste

He began an unhealthy relationship with a telegraph boy in 1882, who introduced him to the sexual practices of urolagnia and coprophagia, the consumption of human waste.

His sadomasochistic tendencies then led him to an obsession with sexual self-mutilation.

Fish would regularly embed needles into his groin and abdomen and flog himself with a nail-studded paddle.

He became increasingly curious about the pain of others and moved to New York City to learn more.

He started prostituting himself and molesting young boys, whom he'd lure from their homes to rape and torture.

A nail-studded paddle was his favourite weapon.

In 1898, Fish married a woman his mother had introduced him to and fathered six children with her.

While Fish never violently abused his own, he continued raping and torturing other kids.

By 1917, Fish was having some difficulty concealing the symptoms of severe mental illness, leading his wife to leave him for another man.

Self-harm

His self-harm grew, from pressing more and more needles into his groin to stuffing wool covered in lighter fluid into his anus and setting it on fire.

By 1919, he began to look for vulnerable kids, such as intellectually disabled orphans or homeless black children, ones he assumed wouldn't be missed.

He also scoured ads in local newspapers put out by families looking for someone to perform housework.

It was through one of these advertisements that he found young Grace Budd, after her elder brother posted that he was looking for work.

Under the false name Frank Howard, Fish called on the Budd family

in their Manhattan home.

He claimed to have some farm work upstate that needed doing, and he was also looking for some help around the house.

Edward was inclined to take the job from the quite unremarkable, gray-faced gentleman.

But suddenly Fish's interest shifted. While Edward was mulling over his offer, Fish noticed a young girl standing behind her parents... Grace.

While discussing his fictitious farm and the imaginary work Edward would undertake, Fish casually mentioned that he was in town to visit his niece and attend her birthday party.

Would little Grace like to join him?

The unassuming-looking stranger convinced Delia and Albert Budd to let him take their daughter along to his niece's party.

They never saw her again.

Fish took Grace, dressed in her Sunday

best, to his own house upstate, the same one he had intended to use as a torture chamber for her brother.

According to the letter sent to Delia Budd, along with his confession, Fish hid in an upstairs bedroom, naked, so as not to get blood on his clothing, while Grace picked wildflowers in the yard.

Then he called her inside. When she screamed at the sight of him, he grabbed her before she could flee.

As his gruesome letter read: "First, I stripped her naked. How she did kick, bite, and scratch."

"I choked her to death, then cut her in small pieces so I could take the meat to my rooms, cook, and eat it. It took me nine days to eat her entire body."

The paper he had written the letter on happened to be a piece of stationery from the New York Private Chauffeur's Benevolent Association.

Police inquired with

EXECUTION: Fish was killed by electrocution on January 16, 1936

the company and found that the paper had been left behind by a janitor from the company at a rooming house he'd been staying at.

At the same rooming house, a man named Albert Fish was renting a place.

Seeing that Fish bore a strong resemblance to Frank Howard, Grace Budd's kidnapper, the police set up an interview.

He confessed in an instant, practically tripping over himself to reveal the precise details of what he'd done to Grace Budd, as well as dozens of other kids. But in the end, only three children including Grace could be proven to be his victims.

Four-year-old Billy Gaffney disappeared while playing with a

neighbour in Brooklyn on February 11, 1927.

His three-year-old friend described a "boogie man", a slender, elderly man with gray hair and moustache.

Fish was arrested shortly after and later admitted the kidnap and murder in sickening detail: "I took tools, a good heavy cat-of-nine tails. Home made. Short handle. Cut one of my belts in half, slit these halves in six strips about Sins long.

"I whipped his bare behind till the blood ran from his legs.

"I cut off his ears and nose then slit his mouth from ear to ear. Gouged out his eyes.

"He was dead then. I stuck the knife in his belly and held my mouth to his body and drank his blood."

In 1924, a young boy named Francis McDonnell vanished while playing with his brother and a group of pal on Staten Island.

Strangled

His body was found in woods nearby shortly after, strangled by his own braces.

The trial of Albert Fish began on March 11, 1935, and as expected, his defence pleaded innocent by reason of insanity. But the jury found Fish sane enough

to find him guilty.

The trial took 10 days and ended with a verdict that saw Fish executed by electrocution the following year.

While awaiting his fate behind bars in Sing Sing prison in Ossining, New York, Fish wrote a series of detailed notes regarding his crimes, which have never been released.

Before his execution on January 16, 1936, Fish's lawyer Jack Dempsey explained why he refused to share them.

"I will never show it to anyone," he said. "It was the most filthy string of obscenities that I have ever read."

KILLER GRAN POISONED NEIGHBOURS WITH RICIN

A GRANNY who killed and dismembered her housemate before hiding the bits in a freezer had earlier tried to murder her neighbours with deadly RICIN.

Earlier this year Kore D. Bommeli Adams was arrested in Dane County, Wisconsin, and sent to Oklahoma to face charges over the murder and dismemberment of her roommate Talina Galloway.

Ms Galloway's remains had been found in a freezer in neighbouring Arkansas.

Adams, 59, who had reported Ms Galloway missing, fell under suspicion because she gave cops inconsistent accounts which pointed to her being the killer.

Deadly

Because Adams had crossed state lines during her crime, the FBI got involved and tested powder found at the scene of one of Adams's previous crimes.

In April 2014, Adams was suspected of breaking into her neighbours' home in Middleton, Wisconsin.

Adams was never charged with burglary, but she pleaded guilty to using a credit card that her neighbours had told police was stolen during a break-in.

While the burglary

By **GRACE HOOPER**

was being investigated, detectives found a powder that resembled rock dust in a hallway, in the couple's bedroom and in the sock and underwear drawers of the wife's dresser.

The powder was found to be ricin – a deadly toxin used by terrorists.

The poison can cause organ failure and death if enough is inhaled or injected.

Alexander Adams told cops that his ex-wife had admitted to him that the white powder found "was the result of her trying to poison" their neighbours.

He said they did not get along with their neighbours and that his

HATE CRIME:
Adams detested couple next door

wife had the makings of ricin as early as 2012.

A laptop computer taken during a police search of Adams's home as part of the Oklahoma homicide investigation turned up numerous internet searches from 2012 inquiring about making ricin.

There were also two Microsoft Word files created by Adams, titled "Making Ricin", which appeared to be a recipe and step-by-step procedure for making ricin from castor beans.

Adams, who is facing first-degree murder and desecrating a corpse charges, has been additionally charged in Dane County Circuit Court, Wisconsin, with two counts of attempted first-degree intentional homicide over the ricin plot.

Car fan Ash misses point

A SHOW-off driver was nicked for adding a black dot to his number plate, in a blundering bid to spell out his own name.

Ashley Carlisle, 20, doctored his registration plate AS11 by add a black screw cap between the numbers to look like the letter 'H'.

But his number was up when his rogue reg was spotted by cops.

Carlisle, of Pontarddulais, Swansea, was driving his Jaguar XF at Carmarthen, South Wales, when he was stopped by police.

Magistrates at Llanelli heard both the rear and front of the vehicle had been altered, breaking the Road Vehicles' Display of Registration Marks Regulations 2001.

Carlisle pleaded guilty and was fined £100 and ordered to pay a £34 surcharge with £90 costs.

WHAT'S ANNOYING HIM THIS WEEK?

Wake up to woke Google

GOOGLE has finally shown its true colours.

In its free "Docs" app – their rival to pay-for-it Microsoft Word – they've decided to introduce a few changes.

And these changes are not just designed to merely help you out with your spelling.

They are to re-educate you.

So when writing the word "spokesman", as you kinda do a lot of in my line of work, it'll suggest "spokesperson" instead.

"Chairman" will also raise a red flag in Silicon Valley.

We'll be "offered" the opportunity to change it to "chairperson" or "chair" instead.

You think that's crazy?

Then think again, because even the word "crazy" will light up Google's woke filters and suggest you try "problematic" or "issue-led" as alternatives.

No matter that almost no one other than the maddest of the mad speak in these terms, Google has obviously decided that it's time the rest of us followed suit.

This, let's not forget, is the company that once used as its mission statement (though long discarded nowadays) the utter dirge of: Don't be evil.

Stalking

And we all bought into it, too.

They were young and funky and new and cool.

And for the staff they had table tennis and beanbags and playground slides and free food and funky Google-coloured bicycles and pods for taking a worktime nap.

And good-ol' glorious Google somehow gave us everything they had for free.

Gmail, Streetview, Maps, that Earth app we all have but, once the novelty of stalking over the ex-girlfriend's house in New Zealand wore off, quickly tired of ever using again.

It's got many of our wallets. It knows what films we watch, what books we read, which shops we enter, how long we spend moving, or not, and where.

It knows how many steps we walk every day and exactly where we are on the planet at any given moment.

It knows how long we sleep – and even if we're any good at it.

It knows which shops we shop in. We know this, because the second we leave we get a beep asking what it was like and how we rate the "experience". It doesn't even matter if your taxi

merely pulled up outside that shop without you entering it, the assumption is there and Google is demanding answers.

Sorry, not "demanding". Merely "asking".

Its Calendar knows when all our relatives' and friends' birthday are.

It knows when we're going to the dentist.

It has access to everything we write in an email, even using phrases we use to target personalised ads at us.

And it knows who all our friends are and which ones we contact most often.

So if you write to an old pal that your dad's dead, expect adverts to appear for coffins, wreaths and undertakers.

The only thing it doesn't know is how much some of us might think this is not necessarily a great idea.

And yet, as I'm typing this on a Google-active device, then, let's face it, it probably already does.

The sprawling U.S. investment bank Goldman Sachs has long had an unwanted description of being a giant vampire squid, supposedly sucking on the face of humanity.

What on earth, then, does that make Google?

END OF LOCKDOWN HAS UNLOCKED MY SEX LIFE!

Randy ex-model is shagging THREE married men

By **SUZIE SHELDON**
news@sundaysport.co.uk

A WOMAN dubbed Britain's most prolific mistress says there has been a cheating 'frenzy' since lockdown was eased and casual sex was given the green light again.

Gweneth, 48, of Chelsea, West London, is juggling three affairs with rich married men now that overnight stays are allowed again.

The ex-model, who has had more than 130 affairs over the last decade, said: "More than a year's pent-up sexual frustration is being released and there has been an explosion of affairs over the last few weeks."

"I have never known it to be so busy. It's like there's a cheating frenzy going on, with bored spouses desperate to have some fun now all the vulnerable have been vaccinated and it is safe to have casual sex again."

Gweneth broke lockdown rules during the pandemic and carried on seeing a select few lovers while we were all stuck at home.

Boring

But she was careful to be tested regularly and made sure all her lovers had a negative test before they slept together.

The rules restricted her activity and limited her to online sex for months.

But now that hook-ups are legal again, she is making up for lost time and has three married men on the go.

Gweneth, who meets her lovers through *IllicitEncounters.com*, the UK's leading affairs site, said: "Life's too short to be stuck in one boring relationship for 40 years or more."

"If there is one lesson we have all taken from the pandemic, it is that we need to lead life to the full and not worry too much about tomorrow."

"People want to seize the day and have an affair if they are stuck in a relationship for the sake of the kids where the sex is rubbish."

During lockdown, keep-fit Gweneth was inundated with gifts from rich lovers keen to keep the connection going while prevented from seeing her.

They included a £3,000 racing bike, which she needed to train for an upcoming road race competition, a £20,000 Salvador Dali artwork, regular deliveries of jewellery from brands such as Tiffany, and designer clothes and lingerie.

She splits her time between homes in Chelsea and a holiday home in California, where she escaped the worst of the pandemic in the UK.

Gweneth is back in the UK and expects to start lots of new affairs, thanks to the success of the vaccination programme.

She began using *IllicitEncounters.com* more than a decade ago when still married to her late husband Robert, a Dutch oil executive, who also used it for affairs.

Surge

Once she found out he was cheating, she thought: if you can't beat him, join him! She carried on using the site as a widow following his death 10 years ago.

An *IllicitEncounters.com* spokeswoman said: "Gweneth's experience mirrors that of a lot of our customers."

"There has been a surge in activity over the last few weeks as everyone celebrates the imminent end of lockdown."

"We are expecting the busiest year in our history as people make up for lost time and start those affairs that have been brewing over the last few months as we all anticipate life returning to normal."

AFFAIR No.2

"HE works at a hedge fund in the City and has made an absolute fortune over the last year in a series of shrewd investments based on how the pandemic will impact on the markets."

"We may have all been stuck at home in lockdown, but the City has been busier than ever and lots of people have made millions through predicting how lockdowns would affect the economy."

"He has been at work every day, staying at his flat in Westminster, while his wife and children are at their estate in the Home Counties."

"Again, he would not see me through lockdown because he is a stickler for the rules, so we made love on the very first day that sex

was allowed again last Monday.

"He said, 'I've been dreaming about this moment for the last year'."

"We made love three times and the sex was sensational."

"He is Mr Kinky and comes to all our dates with a suitcase full of bondage gear and sex toys."

"He loves to be submissive, because he went to boarding school and he likes being bossed around by 'matron'."

"I'll tie him up, whip his ass and make him beg for forgiveness by giving him a good spanking."

"After making love, we went out for dinner at his favourite restaurant."

"It was a first Michelin-starred meal for both of us for more than six months."

AFFAIR No.1

"HE is a rich hotelier who has had a torrid last year, with most of his hotels closed since last March."

"He has been spending far too much time at home getting bored with his wife during lockdown. They have an arrangement where he can see other women as long as he is discreet."

"I think she has affairs, too."

"Even with hotels reopening, they are still not busy because of the restrictions on overseas travel, so we were able to take up one of his most luxurious suites for a night of passion."

"We hadn't made love since before the start of the pandemic, as he was very strict about sticking to the rules."

"The sex was electric. We made love all night and feasted on champagne, strawberries and oysters through room service."

"He loves me in gorgeous lingerie and brought some Agent Provocateur for the night. I did a strip show which he filmed on his phone for private use."

"He is the most gorgeous lover and he can make me climax every time we make love. He is the only man I know who can inspire me to have multiple orgasms every time we go to bed."

"I am shuddering with pleasure when I am in his arms."

"He is my 'three-month man' - we meet every quarter for a night of love-making at his hotel. It is his little quarterly pick-me-up."

"He has other lovers that he sees through *IllicitEncounters.com*. I am OK with that. I don't want to be exclusive with anyone again."

AFFAIR No.3

"THIS one is brand new and we met in the last few weeks of the full lockdown. He is a bookmaker who has made a lot of money through lockdown with so many people gambling online to stave off boredom."

"He also has a stake in an online poker firm, which is booming."

"His wife lives on the south coast and they have a flat in the City near St Paul's."

"We went out for dinner, then went back to the flat for a night of sex. It was electric and he will become one of my regulars over the next few months."

"He loves porn, so we would watch movies together on his laptop and then mimic the sex on screen."

THE WORLD FAMOUS
AGONY

Dear Tess,

I WENT to a neighbour's barbecue the other day and his wife started eating a sausage suggestively while looking at me.

I knew I was on to a winner. She's 44, blonde with a cracking body and I'm 26.

We sneaked away and ended up in her bedroom, where she wasted little time getting my cock out.

She sucked me off, taking me to the back of her throat, and then I licked her lovely, bald, moist fanny.

I then f**ked her hard and fast from behind before shooting my load deep inside her.

She says that she wants to make it a regular thing and – this is the the worrying part – her husband knows all about it. In fact, she says he wants to watch next time.

I think it's all a bit pervy, but she is really fit and I'm tempted. What do you think I should do?

MC, Oxford

Tess says...

SHOW her man how it should be done!

Dear Tess,

I'M 36 and I recently got married for the second time. My new husband is sweet and very generous and he gets on well with my two children.

But unfortunately he's a dead loss in the sack and I am always left frustrated after intercourse.

So recently I have been seeing my ex-husband behind his back. He is an amazing performer in bed and never fails to make me orgasm.

We get together on Saturday afternoons, while my husband goes to watch the local cricket team, and I always feel satisfied after our rampant sessions.

Last week my hubby went to an away match – and within 30 minutes of him leaving my ex was knocking at the door.

We stripped and he brought me off with his tongue before I sucked him off. Next I got on all fours and he thrust into me from behind – just a routine session with this horny man!

But now I'm feeling guilty. What should I do?

HY, Leicestershire

Tess says...

STOP it, plain and simple

Bum deal with the wife wasn't what I expected

Dear Tess,

OVER the last six months my formerly frigid wife has turned into an absolute sex maniac.

I've no idea why, but I'm certainly not complaining about this welcome turnaround in our sex life.

She even likes it when I wear her stockings and suspenders while I give her one.

And when she mentioned she'd like to try anal sex for the first time last week, I was well up for it.

So after lots and lots of foreplay – using some lube on my gentle fingers around her ringpiece – I got her on all fours and started teasing her arse with my cock.

But just as I was about to ease

my rock-hard cock into her lovely arse, she suddenly told me to stop.

She explained she wanted to take ME up the arse instead and then reached under the bed and brought out a huge, black strap-on dildo.

Obviously, I was shocked and just a bit annoyed – and I told her to f**k off.

But she's not let me near her since What can I do?

RD, Cornwall

Tess says...

TELL her she can't have bum fun with you unless she takes it first.

I'm crazy for more nookie with busty babe next door

Dear Tess,

FOR the past year I've had this fantasy about shagging my next door neighbour's wife.

She was a blonde but changed her hair colour to cherry brown because I told her it might look sexier. She's in her late 30s and I'm only 19.

It all started when I saw her topless sunbathing on a recliner in her back garden.

Her tits were huge and very sexy. She was rubbing suntan lotion into her knockers and she saw me stood there with my cock bulging through my tiny shorts.

I thought she'd run back into the house to cover up, but instead she smiled back and told me she was simply trying to grab her husband's attention.

Nipples

But now she had seen how big I was, she was glad to have mine instead!

I told her I'd always loved older women and my fantasy was to shag her in the garden and blow my hot, sticky load all over her gorgeous breasts and plump arse.

I thought she'd tell me to f**k off, but she was loving all the attention.

Unfortunately, she said the time wasn't right and her husband would get suspicious if I kept trying to chat her up.

After that I'd stand naked in my bedroom window at the back of the house and wank while she watched from her garden.

Then one morning I came back from

my run and was getting changed in the bedroom when I saw her in the garden again.

She was topless again – with those magnificent tits out – and when she saw me she smiled and started to play with her nipples.

Then she disappeared inside, leaving me nursing a semi.

But then the phone rang and it was her on the other end, inviting me round to hers as her hubby was away.

Well, I must have broken some kind of landspeed record, as I flew downstairs and out the kitchen door – leaping the fence between our two gardens and almost kicking her back door in, so to speak!

There in the kitchen, she pulled my shorts down, got on her knees and started sucking and licking all over my hard cock and swollen bollocks.

It was the best blowjob I'd ever had

and I knew I couldn't hold on much longer as I unleashed a hot load down her throat.

She eagerly swallowed the lot, slurping out every drop from my throbbing bellend.

I then pulled down her skirt, bent her over the table and got my rock-hard cock straight up her, pounding away until we both climaxed together.

But since then we've gone back to wanking at each other through the window.

I'm crazy to f**k her again but all my mates keep warning me that she's just stringing me along.

What do you think?

GC, Surrey

Tess says...

ARRANGE another session when she's alone.

I fulfilled porn-style threesome fantasy

Dear Tess,

I SHAGGED my bird and her fit mate a couple of nights ago. This was the first threesome I've ever had and I have to say that it was brilliant.

I'd fantasised about being in bed with two women from being in my late teens.

And it was fuelled by watching porn films, where two stunnas hungrily take it in turns to slobber all over some lucky guy's knob.

Me, my missus and her mate had been down the local pub and ended up back at my flat after having a load to drink.

My bird and her pal, who are both blondes, started playfully kissing each other, so I got my seven-inch cock out and they started licking it in turn.

Licked

I then did my bird from behind while her mate got underneath me and licked and played with my swollen balls.

Then I did her pal. It was amazing – her fanny was tight and I couldn't help myself and after only five minutes I pulled out and shot my load over her boobs.

I shagged them three times each and watched as they licked each other out.

I'd love another go, but when my bird had sobered up the following morning she said it was a mistake and will never happen again.

What can I do to make her change her mind?

JR, Humberside

Tess says...

GET them pissed again!

Dear Tess,

I'M an extremely rich executive who has pulled himself up by his bootstraps to make it to the very top.

I have a lovely house, several nice cars and a beautiful wife.

I also play a lot of golf – and recently I've been doing something I shouldn't.

I was bored one day when I had a flash of inspiration and decided to hire a hooker to come up to my office and spread her legs on the carpet.

Then I used her fanny for putting practise.

At first I'd just roll a couple of balls toward her hairy gap and pay her to be on her way.

But since she's shaved off all her pussy hair, I find myself spending hours putting balls into her moist tunnel.

She's quite an accommodating girl and can get two or three golf balls up there at one time.

The trouble is, every time I go out on the golf course now, my putting is all over the shop without a fanny to aim at.

Do you think I should bring this girl on the course with me and get her to spread them on every green?

GS, Worcestershire

YOU'D be "putting" your marriage in danger if you did!

'I vow to make all my lesbian dreams come true this year!'

I'M straight and love blokes but I do lust after some hot lesbian action in the bedroom.

My ideal woman has great curves and a dark Latino look, you know the type, with massive boobies, like Salma Hayek.

I've only ever snogged another girl and haven't gone any further, but I most definitely would do.

When I've had a cheeky kiss with a woman I've often felt a little tingling in my bits down below. And I get a bit wet!

These sexy snogs have

happened in a spin-the-bottle-type situation, where you're just having a laugh. I think if I was with another girl in a gay club or maybe sipping champers in a hot tub at a party things could escalate.

I often watch lesbian porn and watching sucking and licking each other's boobies and going down on each other is so incredibly horny.

I'd also love a threesome where a guy is watching me and another woman get it on and then he joins in.

I'm getting turned on just thinking about this! I vow to make my lesbian dreams come true this year.

#HOT'N'HORNY

DEE

YOU won't have seen many Russians and Hungarians working this closely together since the days of the Warsaw Pact!

Hungarian Eve Angel and Russkie Mandy Dee showed why millions of Brits have headed to eastern Europe for stag parties over the years.

Eve said: "When I go home to Budapest the streets are full of British guys with their tongues hanging out."

"Yes, we Magyars are very attractive and we also like the sex very much."

Mandy added: "There are not so many British stag parties in Russia because at the first sign of trouble, our police would send them to Siberia!"

"But my sister lives in Prague and tells me that many horny Brit guys visit there."

"Before the lockdown, anyway!"

After this shoot was over, Eve rustled up her national dish... a steaming bowl of spicy goulash. Yum!

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDs FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

NO II V HENDERSON

HOT Holly Henderson has got no time for the likes of domineering *Fifty Shades of Grey* character Christian Grey.

That's because the model, who is also famous for dating footballer Mario Balotelli, likes to be the boss in the bedroom.

Scouser Holly said she is not against being tied up, but she's more likely to be the one taking control in bed.

When asked her fave sex position, the 34E scorcher said: "If I had to pick one, I would say me on top."

"I like being in control and it means the guy can have a good look at my boobs, too."

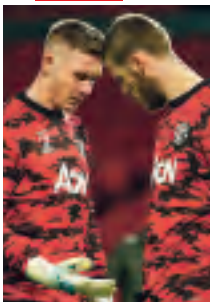

"And if they're crap in bed, then I can at least make sure I have a good time and get myself off."

"If a man is rubbish in bed, he won't last long with me!"

And when it comes to trying *Fifty Shades*-style nookie, she added: "I've tried bondage. I've been tied up and dominated a bit in bed."

"But I'm more likely to be the dominant one!"

CALL: De Gea and Hendo

Make your mind up time for Solskjaer

OLE Gunnar Solskjaer knows the Europa League final is the end of the line for one of his goalies.

The Man United boss must choose between David De Gea and Dean Henderson for tonight's clash with Villarreal.

He knows that the keeper left on the bench will want out of the club this summer.

Solskjaer clearly has no idea who his No1 is.

De Gea was between the sticks in the league match against Fulham on May 18.

But Henderson had the gloves for the final game of the season against Wolves at the weekend.

The 24-year-old has not been convincing and was poor in the 4-2 home defeat against Liverpool.

But it looks like the Norwegian is leaning towards Henderson with De Gea likely to head back to Spain this summer.

The 30-year-old is the highest earner at Old Trafford on a reported £375,000 a week.

Respect

He has been linked with Real Madrid for the past few summers but the move has never happened.

But missing out on the final could be the final straw.

Solskjaer said: "It's been a strange season in that respect with regards to goalkeeping."

"At United most of the time we've had a No1 who has been playing most of the time."

"We brought Dean back to challenge David and he's had a very good season. David flew home for the birth of his baby which gave Dean a longer run in the team and he really played well and established himself as a very good goalkeeper. He's learnt a lot from it."

"But David is David, he's really played well as well, he's buckled down and really taken on the challenge."

"I'm really pleased with the two of them, it's difficult to have that kind of rotation, you don't rotate that much normally, I'll have to find a solution for next year definitely."

BOSS NOT WORRIED ABOUT KANE FOCUSING ON

HARRY HAS HIS MIND ON THE JOB

GARETH Southgate says Harry Kane will be 100% focused on England at this summer's Euros.

By PAUL THOMAS

The Three Lions skipper has told Tottenham he wants to leave — and that could unsettle him during the tournament.

But Southgate has no worries about his skipper. He said: "I don't ever need to have a conversation with Harry Kane regarding focus or professionalism. He has one goal this summer while he's with us and that's to win a European Championship."

"I know how important that is for him at this moment in time. What's going on at his club is a matter for him and Tottenham."

"He's obviously made some

statements in the last few days, so in many respects that's out of the way now. I think it's very unlikely transfer deals will be done while we're away."

"I think that's different when we have our camps in September, and we're on that deadline and every now and again we've had to help facilitate a medical or meeting between a player and manager."

"I'm very realistic about those things. We're not going to stop phones ringing."

"We can't control conversations that are going on in private, but I wouldn't expect it — I think most deals are done at the end of tournaments or in the first week after the end of the season. I would

expect, across the board, for anything with our players to be after the tournament."

Southgate has named an initial 33-man squad for next month's Euros but will have to lose seven players at the June 1 deadline.

He is waiting to see how the 12 England hopefuls come through their European finals before making his final choice.

Southgate has friendlies with Austria and Romania next week that stars from the Manchester clubs and Chelsea are likely to sit out.

The England boss said: "I think our situation is more complicated than any other country at the moment."

"We've got players still in the European finals so we have to wait

how they get on. And we have other injuries that we're still waiting to see how they train."

"So we felt more time would help us make better decisions. It would have been better to have 26 and the standby players but there are a lot of unknowns."

There was speculation that Trent Alexander-Arnold would miss out of even the 33-man squad.

That hasn't happened but there is a lot of competition for the right-back slot.

Southgate said: "I could easily get drawn into talking about any number of individuals that might be in the 26, and then I'm going to get myself in the mess."

"You're looking at four right-backs, people feel I have an obsession with right-backs — I just see good

MOVE AS HE ANNOUNCES 33-MAN SQUAD

IN SAFE HANDS:
Southgate can
rely on Kane

footballers. Trippier can play right or left-back, Trent can play right-back, wing-back, I think he can play midfield.

"In the last few days I've seen Reece James right of a three, at wing-back, in midfield.

"We're going to a tournament and those sort of flexible players who can fulfil different roles are hugely important to us.

"So we really don't know how the next few weeks will play out in terms of injuries, we've got too many question-marks as I sit here today, but that will become far clearer. We know what we'd like to do, and we have good contingencies in place."

A couple of players who are missing include Eric Dier and James Maddison. Ben White and Ben Godfrey are in at the back, while

Jude Bellingham and James Ward-Prowse are in for Maddison.

Southgate said of the Leicester man: "It's an area of the pitch where we've got unbelievable competition for places. We just feel there are players that are ahead of James in those areas of the pitch."

"He's had a season that's unfortunately for him been disrupted by injury and in more recent weeks he hasn't always necessarily been starting as well.

"It's been quite interesting. He hasn't been taking their set-plays I noticed. [Youri] Tielemans has been taking them, I don't know if there's more involved in that.

"But in more simple terms we feel we've got players in those areas of the pitch which in the moment we feel are ahead of James."

Squeaky bum time can help City win final

JOHN Stones admits his Manchester City teammates are a bag of nerves ahead of the Champions League final.

Pep's lads take on Chelsea on Saturday night as they try to win Europe's biggest prize for the first time. The centre-back thinks those jitters can help them come out on top.

He said: "It's been an incredible season from where we were in December.

"It shows the strength of the boys. To achieve what we have this season, we can make more history. In Covid times everything's difficult,

games every three days, it shouldn't be underestimated what we've all done this season as a club.

"Really pleased and proud of everyone.

"Everyone has come together as a team that's been together for the five years I've been here.

"Whether that's winning stuff or not winning stuff, we're successful as a team and taking steps in the right direction.

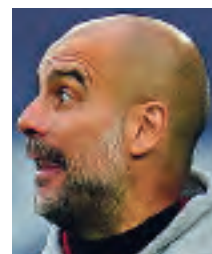

"I'm proud of every single one of the people here and we have just gelled together so well and that's why we're so successful.

"To finish the Premier League on a high is what we needed.

"To go into the next game with goals and a clean sheet is really perfect."

Chelsea have landed two wins against City in recent weeks but Stones insists that makes no difference in a one-off final.

He added: "We always

NERVES: Guardiola

learn from things that have happened in the past.

"It's a Champions League final, everyone will be nervous.

"But the lads wouldn't be where they are now without having to control these things.

"Big pressure, big games, we've got the calibre of players for this occasion.

"We deserve to be there and hopefully we can be stood talking with a Champions League trophy for us and for the fans."

Chelsea sweat on Mendy

CHELSEA will give keeper Edouard Mendy every chance of making Saturday's Champions League final.

The stopper went off at half-time in the final Premier League game against Aston Villa with a rib injury.

Boss Thomas Tuchel hopes to have his No1 back in training today but will wait if he has to.

He said: "Edou will play if he is fit. If he's not fit on Wednesday we will try on Thursday and we will try on Friday.

"At the same time we have trust that if he cannot make it then we have a strong guy on the bench with Kepa, who will take his place.

"Every hour counts now and every day counts. Hopefully the team around Edou and he himself can do enough and he will be on the pitch. So the race is on. We are very happy that the images don't show the injury is serious."

LIONS CAN WIN IT

Foden full of confidence for home Euros

PHIL FODEN insists England are ready to win the Euros this summer.

The Three Lions have the benefit of home advantage with most of their games to be played at Wembley.

For the City schemer, that is a massive help.

And he thinks there is enough quality in the team

By **JOHN ANTHONY**

to go all the way when the action starts next month.

Foden said: "I think we have a big chance.

"There are a lot of players at the moment on the top of their game.

"I think we have a great attack, great everywhere all over the pitch.

"It must be a headache for

Gareth Southgate to pick the team, but that just shows how many quality players we've got, so I definitely think we can start pushing on to win things now."

Southgate has named a bigger provisional squad that he will have to trim to 26 next week.

He must wait until the European finals to see who

is fit. The biggest doubt is in the middle of defence where Harry Maguire is a major doubt.

That has forced the Lions boss to call up Ben White of Brighton and Everton's Ben Godfrey in case the Manchester United stopper is forced out.
